

Join Our Team as **Head of Maintenance & CI**

Are you ready to lead with innovation, efficiency, and excellence? We are looking for an experienced, driven, and forward-thinking **Head of Maintenance and Continuous Improvement** to join our team. This is a unique opportunity to drive operational excellence and innovation at a dynamic UK-based company.

YOUR ROLE AND IMPACT

As the **Head of Maintenance and CI**, you will:

- **Lead** the Maintenance and CI teams, ensuring strategic alignment with the company's vision.
- **Drive continuous improvement** by implementing Lean and Six Sigma methodologies to streamline operations.
- **Collaborate** with senior leadership to identify and execute on opportunities for engineering and operational advancements.
- **Foster a culture** of teamwork, innovation, and excellence in every aspect of your work.
- **Develop and mentor** your team, promoting skill development and leadership capabilities.

KEY RESPONSIBILITIES

- Oversee engineering strategies and CI initiatives that boost efficiency, quality, and productivity.
- Partner with cross-functional teams (e.g., Manufacturing, R&D, QA) to integrate engineering improvements.
- Ensure adherence to industry standards, regulatory requirements, and budgetary goals.
- Build metrics and KPIs to monitor the success of CI efforts and drive ongoing improvements.
- Promote health, safety, and quality standards throughout all operations.

WHAT YOU'LL BRING TO THE TEAM

- **Drive:** You're determined to exceed expectations, setting industry-leading standards.
- **Judgment:** You make informed decisions and know when to seek assistance.
- **Adaptability:** You thrive in dynamic roles and leverage change as an opportunity.
- **Collaboration:** You value openness, champion diversity, and lead by example, fostering a productive, inclusive environment.

WHY JOIN US?

We're committed to creating a collaborative, innovative workplace where everyone can contribute and grow. You'll have the opportunity to shape the future of our company, driving key initiatives that keep us at the forefront of the industry.
